

THE BELMONT CHRONICLE.

LOCAL INTELLIGENCE.

ANNOUNCEMENT.

Mr. EDITOR.—Please announce the name of D. T. COWEN as an independent candidate for Prosecuting Attorney, and oblig.

August 16th, 1851. te. S. M. ALL PARTIES.

TO TEACHERS,

THE BOARD OF SCHOOL EXAM
TAKES PLEASURE IN THE school house in the West end of St. Clairsville, on Saturday the 8th inst., at 10 o'clock A. M.
By order of the Board.

D. T. COWEN, Clerk.

NOTICE. All the members of Council No. 523 are hereby notified to be at their usual place of meeting at 7 o'clock p. m. on Tuesday Sept. 15, 1851, for the transaction of important business pertaining to the formation of the order, by order of the President.

JAMES F. CHARLESWORTH,
Sec. Pro. Tm.

The Board of managers of the Belmont Co. Agricultural Society requested to meet in St. Clairsville, Saturday evening the 2nd instant. Members of the board are requested to meet promptly at the hour appointed.

J. T. SCOFIELD President.

FAMILY JARS—If of the right kind, are rather pleasant than otherwise. It is exceedingly difficult, however to obtain the right kind. Messrs. T. SWINNEY & Son, have, in a great measure, obviated this difficulty by manufacturing glass preserving jars, which like everything else these gentlemen do make are A. No. 1. Call and see them at their establishment, No. 63 Main street, Wheeling.

PAINTING—Those of our citizens desirous of having their houses renovated, or their new ones tastefully decorated, are directed to the advertisement of Mr. SIMMONS. He has placed his trade in this place before, and his work will stand the test of the most rigid scrutiny. Call on him at the National.

Reduction descending.

Mr. Lewis has reduced the fare on his excellent omnibus line which passes between here and Wheeling 25 cents each way. Let him well supported, for he is one of the best of our citizens, and is always accommodating.

Autumn, by "Charlie," will be attended to in the course of time. It will not spoil by being kept a while. We will publish it as soon as possible.

SHOCKING—A gentleman we have always heretofore looked upon as a friend, suddenly forsaken us the other day, in the following tragic manner: Bursting breathless into our saloon, he inquired with a horror-stricken countenance—"When are oats disagreeably affected?" Of course we could not tell, and he believed our mind of its malady by telling us that it was "when they were shocked." Plunged my phials! We haven't spoken to him since, nor don't intend to until he has saved all his oats.

UNDERSTANDINGS of the young should always be carefully watched and every attention given to them. By the way, J. M. HENDRICKS has just entered a choice assortment of Youth's, Children's and Boys' Boots, and Ladies winter wear, which will be sold at the very lowest figure. Call and see them at hand.

NEW MILLINERY.

Mrs. PRISCILLA ALEXANDER.

EXCLUSIVELY announces to the Ladies of St. Clairsville and vicinity, that she intends to carry on the Military business in all its various departments, collects a sum of money, and will be given to fancy work, trim, trimming and making bustos in the very best styles, & pieces of lace, &c. Her address is at the Post Office, St. Clairsville, in the hands of Mr. Joseph Miller, next door to Antenor's Grocery.

Sept. 6, 1851, 4 p. c.

ABEL CHALFANT.

Miller Painter, Grazier, &c. for painting.

The best Preserve Jars Extant.

J. SWEENEY & SON, Wheeling, Va.

are manufacturing Glass Air-tight Jar for preserving fruit, which is far superior to any of the tin or steel sealing cans now in use. The ladies are respectfully invited to call and see these jars before comparing their purchases.

Sept. 6, 53.

St. Clairsville, Aug. 6, 1851.
